SKILLS PROGRAM

EMPLOYEE ONBOARDING

Course Purpose

Employee onboarding is the process most companies follow in integrating new employees into the company. This process results in incorporating team members that are an asset to the company.

Why study employee onboarding?

An organisation is only as good as its employees, finding the best candidates for positions in your organization is a critical process.

At the completion of the unit standard, a qualifying candidate can:

- Identify the right perspective employees.
- Grow in a conducive working culture.
- Better employee experience through journey mapping.

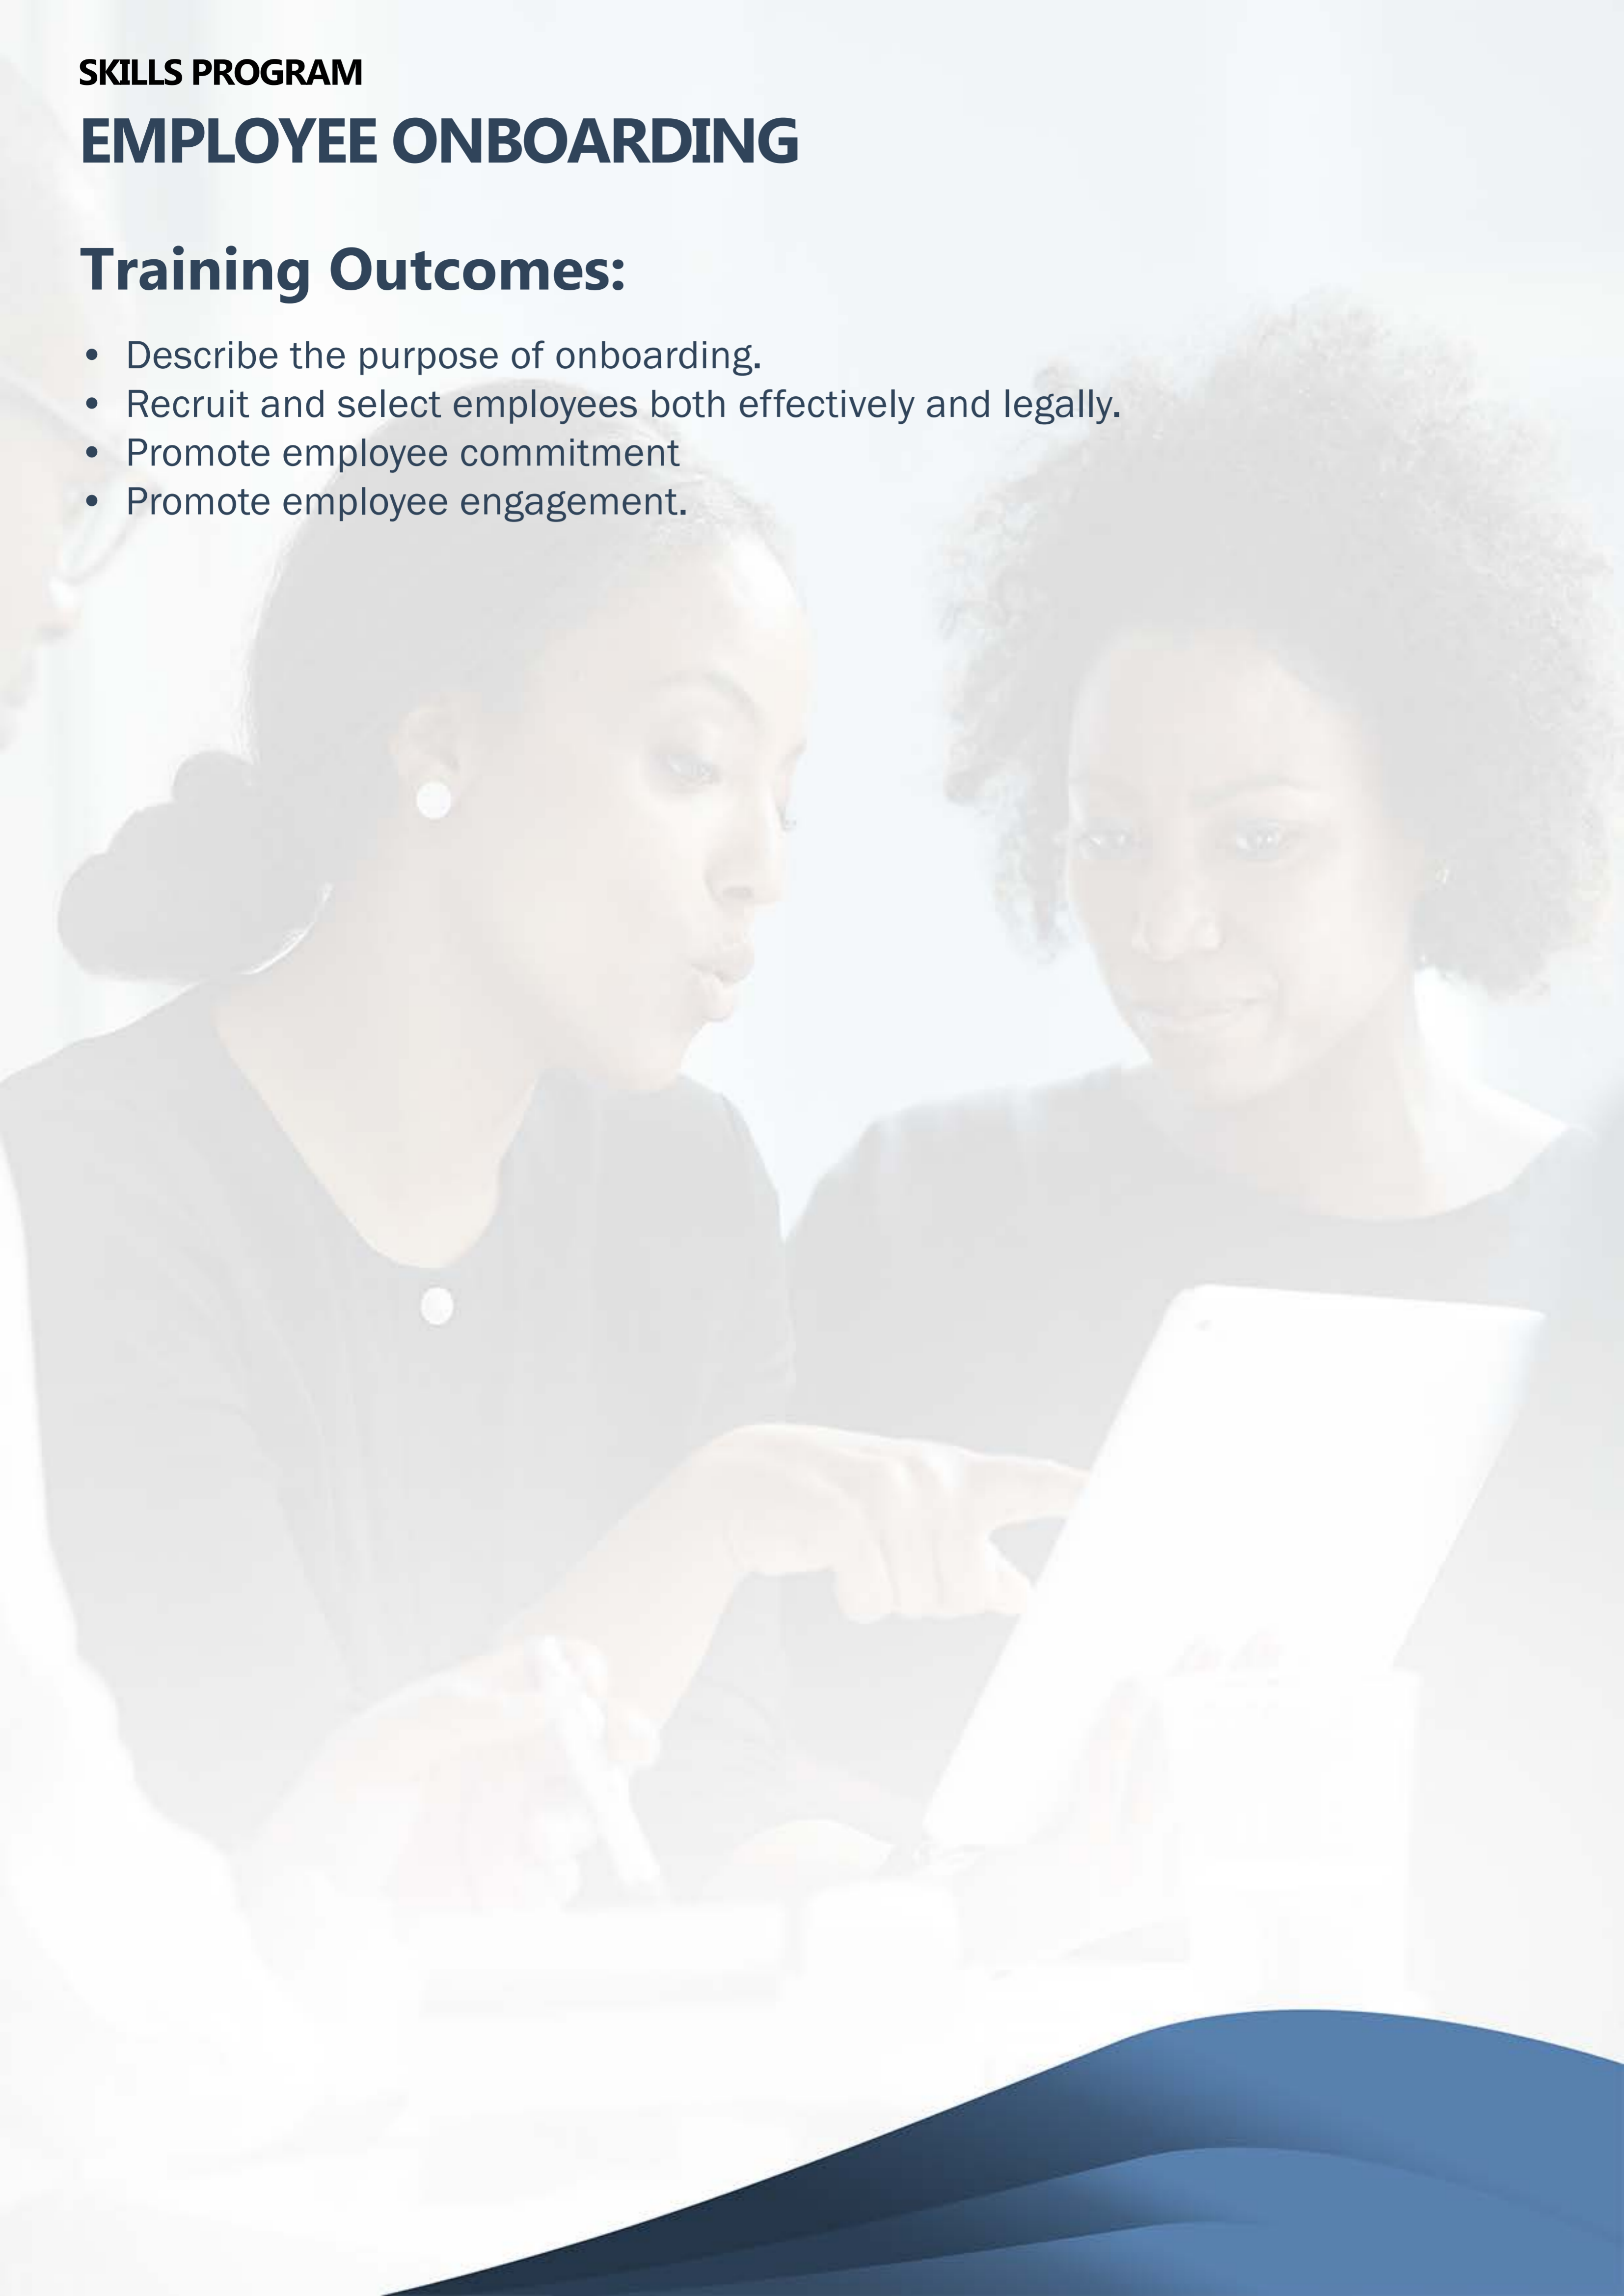

Duration

1-2 Days

EMPLOYEE ONBOARDING

Training Outcomes:

- Describe the purpose of onboarding.
- Recruit and select employees both effectively and legally.
- Promote employee commitment
- Promote employee engagement.
