

Occupational Certificate: Early Childhood Development Practitioner – NQF Level 4

QCTO Learnership

SAQA ID: 97542

Credits: 131

Duration: 12

Course Overview

This comprehensive course provides aspiring practitioners with the essential skills and knowledge required to work effectively in both centre-based and non-centre-based early childhood development settings. It prepares students to create enriching environments that promote the social, emotional, cognitive, and physical growth of young children. Upon completion, participants will be well-equipped for a fulfilling career in early childhood development.

Learning Outcomes

Upon completion of this program, participants will be able to:

- Plan and implement broad-phase learning environments and engaging activities that cater to the holistic needs of children.
- Facilitate and manage daily programs in both centre-based and non-centre-based settings.
- Observe, assess, and document each child's progress.
- Compile comprehensive reports on individual child development.
- Promote the overall well-being, health, nutrition, safety, and protection of children.

Entry Requirements

- National Certificate Vocational (NCV) at NQF Level 3
- OR any other NQF Level 3 qualification

International Comparability

The course underwent an international comparability study, benchmarking against early childhood development qualifications in the United States, United Kingdom, and Kenya. This ensures the curriculum aligns with global standards and prepares graduates to meet the diverse demands of the field internationally.

Potential Career Opportunities

Playschool Teachers,
Day Care Centre Administrators,
Day Care Centre Managers,
Early Childhood Education (ECE)
Centre Practitioners,
Educators, or
Trainers in Early Childhood
Development.

Early Childhood Development Practitioner – NQF Level 4 Certification

Upon successful completion of the course, participants will receive an Occupational Certificate: Early Childhood Development Practitioner from the Quality Council for Trades and Occupations (QCTO). This certification validates the skills and knowledge acquired during the program and ensures that the qualification is recognized and reputable.
